A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

The new Marquess is unpredictable and fickle, and also not much older than September. Only September can retrieve a talisman the Marquess wants from the enchanted woods, and if she doesn t . . . then the Marquess will make life impossible for the inhabitants of Fairyland.
