(Also see page 204) The Market Prices Indicated in this Review represent as nearly as possible the correct valuations on the day of going to press with this section of the Meyer Brothers Druggist. Exceptional facilities for keeping in close touch with changes enable us to give the latest word on prices. However, the erratic market conditions make It quite impossible to forecast changes that may occur in the immediate future. With the general upward tendency of prices, buying has been unusually brisk. Dealers throughout the country are...
