PASSING ON THE KEYS OF LIFE: BECOMING A MAN

McCoy s Publishing, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a collection of sayings that my dad used to tell me while we were sitting around the fishing hole, to get me to understand how men should carry themselves. He would constantly tell me how a man should have a strong faith in God in order to lead his family and things like, a man should have common sense as well as book sense. You have to prepare him to lead his family, make quick decisions, and hold himself accountable for his decisions. Young men today feel like it s cool to sell drugs, smoke marijuana all day, and stay home living off their woman. Young men need to learn early and often that a real man works for what he gets and takes pride in that work. That s the way I was raised. I got the idea to write this book because this young lady I was dating told me once that she could tell the difference...
