Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

WINTER'S TALE

Mariner. 1 Paperback(s), 1983. soft. Book Condition: New. The winner of the Prix de Rome and the National Jewish Book Award, the author of *Ellis Island and Other Stories*, *Memoir from Antproof Case*, and *A City in Winter* penned this brilliant 1983 novel about an unusual man in an alternate New York City on the cusp of the 20th century. Peter Lake, fished out of the Hudson River as an infant, became a master mechanic before being dragooned into a burglary ring. His life is changed when he breaks into a mansion on the Upper West Side and falls in love with Beverly Penn, a girl dying from tuberculosis. Even more surprising, a runaway white horse seems destined to be Peter's guardian angel. 748.
