

Was Jesus Black ?

By C Tom

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book analyses the racial and physical makeup of Jesus. This is very important information. Many American black men believe Jesus was a black man. European Christians have confiscated Jesus long time ago and made him into a western European man. Asians generally accept Jesus as a Western European man. The only reliable proof of the skin color of Jesus is a statement from Prophet Mohammed. Prophet Mohammed ascended to heaven and conversed with Jesus and came back alive. He said Jesus has same appearance as some Arabs. After crucifixion, Jesus s body was wrapped in a long cotton cloth and placed in a sepulcher. A detailed 3D image was imprinted on his burial cloth. But it does not indicate skin color of Jesus. Physical features of the image are compatible with Negroid race. This book examines the issue of the skin color of Jesus from various points of view.
