Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In the first chapter of the book initiatives have been taken to analyze and interpret the experiences of the world with the process of globalization. However theoretical frameworks have been taken from different pioneering works like the works of Anthony Giddens and Immanuel Wallerstein to make ideas theoretical sound and practically relevant. The second chapter of the book is an effort to show how the process is confronting the democratic and trade policies of all the countries of the world In this chapter theoretical knowledge with live evidences have been combined in a coherent manner so that things can become easy to communicate and understand for all eager readers and writers. Chapter 3rd is mainly concerned with conflict and experiences of localities in post modern industrialized and capitalist societies. Besides this globalization in general has been defined in light of various social thinkers along with this explanation various sub themes have been touched and interpreted Sociologically, which may include Religion, Economics and financial globalization and globalization from religious point of view. Chapter fourth is mainly concerned with the emerging issues related with children, in this chapter efforts were initiated to look into the causes and consequences of child labor in the global village, attempts were also undertaken to highlight the various safeguards for the protection of children rights in the process of globalization and recommendations were given to solve the child associated problems Sociologically and scientifically at macro level. Chapter fifth is focused to the gender related problems in the global context, In this chapter various challenges were highlighted associated with women folk which may include status of women in work places, in family, and in other primary...
