COMPREHENSIVE APPROACH TO CORPORATE GOVERNANCE

[DOWNLOAD](#)

iUniverse, United States, 2006. Paperback. Book Condition: New. 224 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****. Good corporate governance practices lead to better compliance, but more importantly these behaviors lead to better organizational operation and increased shareholder and stakeholder confidence because of the increased visibility and monitoring that is put in place. Corporate governance is a term that embodies all of the process, policies, procedures and records that an organization uses to make decisions and carry those decisions out. Corporate governance is the set of practices that best provides for the effective, open, and visible management of an organization. The comprehensive study of corporate governance is an acknowledged necessity for good performance in business, but this type of governance is still new to many organizations. Corporate governance involves detailed understanding of communication, policy and procedure, and performance management. It also includes codes of conduct and ethics, leadership, human resources management, and corporate compliance. Comprehensive Approach to Corporate Governance offers detailed information about communication, corporate risk, codes of conduct and ethics, and the practice of corporate social accountability, as opposed to social responsibility. Drawing on a variety of sources, author Tri Junarso communicates these distinctions in a thorough, easy-to-understand manner. Comprehensive Approach to Corporate Governance is an accessible handbook, which will help your organization on its way to success!.
