Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Create Your Life By Design, by Ted Ciuba, also author of The New Think And Grow Rich, is about being successful in life. And being successful has many parts to it, including the health, wealth and career, family and relationships, mental, and spiritual dimensions. Create Your Life By Design is a book about awakening to your inner powers, to the fact that, one way or the other, you are creating your life, and, finally, to taking charge and directing your energies into the specific outcomes you most desire. It starts with getting definite in your one burning desire. That one obsession you must fulfill to be you, so to speak. That then becomes the tuning fork by which you measure every single other tone. For instance, if a person's definite chief aim in life is to affect people positively by being a metaphysical author and speaker, you're probably not going to find this person taking a job as a technical writer for Sony Corporation writing user manuals. It might be writing, but it's not in the metaphysical field, so it can't be right. On the other hand, you might find this person involved in a film, in a radio show and writing three books and they're a little bit slammed and they're a little bit behind schedule on a few different things at the same time. But they're NOT off focus. Your one definite chief aim is the tuning fork by which you celebrate and measure every other activity, effort, or plan in your life, that thing that instantly advises you when you're on target or when you're not....
