

Moderne Managementstrategien zur Qualitätssicherung und deren Anwendung auf die Milcherzeugung wachsender Betriebe

By Daniel Herd

Cuvillier Verlag Nov 2006, 2006. Taschenbuch. Book Condition: Neu. 212x147x19 mm. Neuware - Due to low prices for raw products the structural change in the agricultural sector has continued during the last few years. For most dairies full production costs are higher than their income; only top managed farms have enough revenues to stay profitable. A series of crises concerning human food and animal feed have caused changes in the general European principles of food law. Thereupon procedures relating to food safety have been applied to animal nutrition. The traceability of food, feed and food-producing animals through all stages of production, processing and distribution is the goal of the new regulations. This important modification started with the White Paper on food safety and was followed by the Regulation (EC) No 178/2002. This document lays down the general principles and requirements of food law, establishing the European Food Safety Authority, laying down procedures in matters of food safety, concerning protection of human life, health and consumers' interests, with regard to the protection of animal health and welfare, plant health and the environment. These European regulations have to convert into German law within a certain time frame. In the future they will...
