HarperCollins Publishers, United Kingdom, 2004. Paperback. Book Condition: New. New edition. 178 x 104 mm. Language: English . Brand New Book. The second volume in a stunning fantasy trilogy set partly on the shores of Lake Superior in the 19th century. When Ingrid Loftfield follows her sister out of the house in order to discover the reason for her nighttime excursions, she has no idea that this short walk to the beach will lead her to another world entirely. As the daughter of a fisherman on the shores of Lake Superior, her life has so far been unremarkable -- the most difficult problem she has faced is whether or not to marry the dependable but unexciting Everett Lederle. But when a stranger releases her sister, Grace, from an enchantment by a dead sailor, Ingrid is initiated into a world of magic and intrigue she never could have imagined. For the stranger, Avanas, is a native of Isavalta, a world which can only be reached by crossing the land of Death and Spirit. He has been exiled by his ruler, and erstwhile student, the young Empress Medeoan. But Avanas remains loyal to his Empress, and only he is aware of the grave threat she faces from within her own court. If she needs his assistance he will return to her side without a moment's hesitation -- and Ingrid will go with him.
