

Learning for Real: Teaching Content and Literacy Across the Curriculum

By Heidi Mills

Heinemann Educational Books, United States, 2014. Paperback. Book Condition: New. 231 x 185 mm. Language: English . Brand New Book. In this book, writes Heidi Mills, you ll learn how to plan for inquiry in a way that promotes literacy throughout the day and across the content areas. With Learning for Real, you ll find a rich array of resources for truly integrating a balanced literacy approach into every corner of the curriculum. We all know how exhilarating it is to learn something new, writes Heidi, to develop expertise around a passion. She and her colleagues invite students into that experience, while developing five habits necessary for the content learning inside and outside of the classroom: carefully observing the world by using the tools and strategies of a discipline posing questions and investigating problems from numerous perspectives drawing information and evidence from primary and secondary sources, both nonfiction and narrative using the language of inquiry while reflecting on and sharing new learning effectively with others employing reflection and self-evaluation to grow and change. To help you adapt instruction to your curricular and standards-based goals, Heidi includes planning guidelines, classroom-tested units of study, and from-the-field video clips of exemplar inquiry-driven teaching....
