## Out of the Mountains: The Coming Age of the Urban Guerrilla

By Chairman David Kilcullen

Oxford University Press, USA, United States, 2015. Paperback. Book Condition: New. Reprint. 234 x 155 mm. Language: English . Brand New Book. When Americans think of modern warfare, what comes to mind is the US army skirmishing with terrorists and insurgents in the mountains of Afghanistan. But the face of global conflict is ever-changing. In Out of the Mountains, David Kilcullen, one of the world's leading experts on current and future conflict, offers a groundbreaking look at what may happen after today's wars end. This is a book about future conflicts and future cities, and about the challenges and opportunities that four powerful megatrends--population, urbanization, coastal settlement, and connectedness--are creating across the planet. And it is about what cities, communities and businesses can do to prepare for a future in which all aspects of human society--including, but not limited to, conflict, crime and violence--are changing at an unprecedented pace. Kilcullen argues that conflict is increasingly likely to occur in sprawling coastal cities, in peri-urban slum settlements that are enveloping many regions of the Middle East, Africa, Latin America and Asia, and in highly connected, electronically networked settings. He suggests that cities, rather than countries, are the critical unit...
