Fiery Hedge Publications, United Kingdom, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The light motif that permeates this collection of poems operates within and between domains. Composed in mid-life, they engage with many of its concerns: work, home, relationships, social conscience and the beliefs and values that inform how we manage these areas of experience. Conceding the imminence of the usual world, Perception of Light documents the scheduled/and incidental joys that contend with anxiety, affirming what gives meaning in the here, the now, despite its transience.
