

## Ellie Foster s English Coursework

Filesize: 8.09 MB

### ***Reviews***

*It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Rickshaw Publishing, United Kingdom, 2011. Paperback. Book Condition: New. 194 x 128 mm. Language: English . Brand New Book. Realising she s going to fail her English GCSE if she doesn t complete some kind of coursework, 15 year old Ellie Foster takes up her teacher s suggestion that she keep a diary of her family holiday to Greece. Family being her mum, her mum s hippy boyfriend, Trevor, his maniac twins, 8 year olds Sky and Blue, and the love child (mum and Trevor s baby). As if things weren t bad enough she needs to find a boyfriend on this trip or risk being labelled a loser and having to spend the rest of her school life with yellow toothed Lucy Telling as her only friend. Before she knows it, she s making a fool of herself in front of a Greek God, battling off an annoying nerd, hiding from her crazy Gran, getting Trevor arrested, and dealing with the return-of-the-father. Its a wonder she has time to write down anything at all. Engaging, entertaining and often laugh-out-loud funny, this book perfectly captures the conflicts and conundrums that come with being on the brink of adulthood and addresses a host of contemporary issues - such as blended families, peer pressure and teenage sexual relationships.
