

Mystical Journey Into the Unknown: Memoirs of a Psychic Researcher

By A Anthony/A Leong/L L

Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is my memoirs describing my foray into the metaphysical world of psychic energy, healing and encounters with the out-of-the-world entities. Thirty years ago, it was by sheer coincidence that I was inducted into the realm of spiritual development, as a rather reluctant candidate ill-prepared for the new path ahead in life. And over the years, I have evolved my own unique style of psychic energy practice integrating Buddhist Meditation Techniques, and its Buddhist Philosophy, Taoist Qigong, Hindu Chakra System, and Western Concepts On Human and Universe Energy Fields, and the use of Stones And Quartz.
