A Handbook of Suggestive Therapeutics, Applied Hypnotism, Psychic Science (1908)

By Henry S Munro

BOOK JUNGLE, United States, 2005. Paperback. Book Condition: New. 230 x 190 mm. Language: English Brand New Book ***** Print on Demand *****.I bring to the consideration of the medical profession not merely the facts of personal experience and clinical evidence as proof of the value of suggestive therapeutics in the general practice of medicine, but also a detailed explanation of how to apply suggestion efficaciously, both with and without hypnotism as a therapeutic adjunct. I give in explanation of those facts, experience and clinical tests as interpreted in the light of modern scientific knowledge. Many volumes have been written upon this subject by neurologists, scientists, and psychotherapists of note, but in most cases they lack the practicability so essential to its successful employment by the general practitioner. My aim is to emphasize the value of suggestive therapeutics in a field of work that comes within his domain, which has not heretofore been pointed out by the authors of other works of this character. The presentation also embodies what I have assimilated and found practical from a careful study of the investigations of leading authorities on this subject. To make this book practical and easy of assimilation has been my...
