Salt Publishing, UK. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Available Now. Book Description: POETRY BOOK SOCIETY RECOMMENDATION. Elegant, interesting, fluent, funny and wise, Tim Dooley's new collection *Keeping Time* brings together lyrics and fragmentary narratives, the remembered and the imagined, in poems whose every line seems balanced as if with a spirit level. In a special issue of *Agenda* on 'The State of Poetry', Dooley wrote 'the condition of poetry isn't soliloquy but colloquy, a conversation that's been going on before the poem starts, and is capable of being joined and continued by others.' *Keeping Time* reflects this plural, provisional vision. New vocabularies of social and technological change cohabit with after-images of traditional literary forms. Key public events of recent years are explored alongside recurring timeless themes. First- and third person- pieces accompany narratives whose protagonists slip slyly from one poem to another. This is a poetry of light and movement that captures the reader's attention in unexpected ways. : Review: You know how you and your family went on that European trip when you were a kid and how, when you got back, ice cream seemed common next to the gelato you'd had in Palermo and your mother's mashed potatoes were kind of lame when compared to the bangers and mash you'd eaten in Cork? Well, as it turns out, a lot of books get published abroad that don't really reach our fair shores, and many of them are great. Among those publishers who are better known on the other side of the pond is Salt Publishing, and the contemporary poetry they're publishing is pretty exciting stuff. Tim Dooley's latest collection comes out in July, and there's more than a strong case to be made that Dooley should be read in the colonies. He's colloquial,...
